I understand that the members of the Alice Carlson PTA are volunteers, each and every one, just out there trying to raise funds for their kids' arts and education programs. I promise to be nice to them, especially on those cold and rainy days late in the year. If I'm feeling extremely generous, I might even share my hot dogs and burgers with them.

I also agree to hold harmless the Alice Carlson PTA and its volunteers and the Fort Worth Independent School District and its employees from any responsibility for any damage done to me, my vehicle, or its contents or other property related to parking at Alice Carlson Applied Learning Center. I understand that there is no security staff on duty before, during, or after the football games and it is my responsibility to lock my vehicles and keep my valuables out of sight.

I understand that the parking area will be available 3 hours prior to the scheduled game start. FWISD policy and state law prohibits alcohol on school property. I also understand that if I have not arrived at the Alice Carlson parking lot within thirty minutes after kickoff (scheduled game time), then I am not guaranteed a place to park.

I also understand and agree that once payment has been received, neither the donation nor the parking fee will be refunded. In addition, I agree that I am responsible and personally liable for any behavior or damage as a result of my loaning out my pass to another person.
